David,

As you are aware, due to rescheduling confusion we were unable to hold the prehearing conference yesterday. I have spoken with Mr. Inabnit, counsel for the Applicant, and we would like to reschedule the prehearing conference for next Wednesday, October 24th at 10:00 – when the hearing in this matter was originally scheduled to be heard. If possible, we would then like to reschedule the hearing for the following Wednesday, October 31 at whatever time the Commission will allow. Our goal is to get this heard before the Commission is tied up in November, if at all possible.

Our site visit has been pushed back again, there are still continued hold-ups due to the damage and flooding from Hurricane Florence but we believe Thomas McGill will be able to conduct the visit on Monday or Tuesday of next week. This will work well with the timeline we have proposed for the prehearing conference and hearing.

Please let me know if there are any issues with the dates we have proposed. If there aren't any, I will file a letter today requesting the rescheduling of the prehearing conference and the hearing to 10/24 and 10/31, respectively.

Thank you!
